Governor Doyle Details State Efforts to Help Victims of Hurricane Katrina

University of Wisconsin– Madison News 9/2/05

Governor Jim Doyle today called on all citizens of Wisconsin to continue donating to the Hurricane Katrina relief effort and detailed state efforts to help the victims.

"Since Hurricane Katrina struck, we've seen the situation in Louisiana and Mississippi go from bad to worse," Governor Doyle said. "We've seen people without shelter, food, or water go for days without relief, we've seen whole towns wash away, and we've seen one of our great cities fill with water. The people of Louisiana, Mississippi, and Alabama desperately need our help. I want to thank all Wisconsin citizens who have donated or helped the relief efforts in any way and I urge all citizens to contribute what they can, however they can - whether it's their time, energy, prayers, or money.

"Wisconsin businesses are continuing to contact us and offer assistance," Governor Doyle said. "We will keep working with them to offer whatever help we can as quickly as possible."

The State has taken the following steps:

- Governor Doyle today authorized permanent State employees who are certified Red Cross disaster relief volunteers to be granted a paid leave of absence at the written request of the Red Cross for up to 30 days.
- Governor Doyle issued an Executive Order today that lifts Wisconsin highway weight restrictions on commercial motor vehicles for 30 days so that more trucks can deliver vital goods and equipment to Louisiana, Mississippi, Alabama, and Florida.
- Governor Doyle called elements of the Wisconsin National Guard to active duty on Wednesday, August 31, 2005, in response to the severe damage caused by Hurricane Katrina.
- On August 31, 2005, Governor Doyle signed Executive Order #117 proclaiming that a State of Emergency exists in Mississippi and Louisiana as a result of Hurricane Katrina.

Governor Doyle also said that State efforts include the following:

Governor Doyle Details State Efforts to Help Victims of Hurricane Katrina

Several University of Wisconsin campuses are prepared to welcome students enrolled in colleges or universities that are closed because of damage from the hurricane. For example, UW-Madison, UW-Milwaukee, UW-Oshkosh, UW-Waukesha, and UW-Whitewater are working to help students with opportunities to earn college credits that can be easily transferred to their schools once they reopen, as well as assistance with financial aid and housing arrangements.

The [UW System Higher Education Location Program](#), or UW HELP, is ready to answer questions and connect students with specific UW campuses who can serve their needs. UW HELP can be reached at 1-800-442-6459 or at <http://uwhelp.wisconsin.edu>.

UW campuses are also raising donations and providing aid for students and families whose homes have been destroyed by the storm, as well as for National Guard members called to duty.

Whew! You Made it Through the Start of Fall Semester

Talking Stick Vol.12 Issue 2

The start of first semester is over and you made it through training and planning and lugging and opening. Congrats! Now, don't you think you deserve a reward? How 'bout...

- A massage (aah!)
- A home-cooked meal
- Putting a book you've been wanting to read on your nightstand
- A foot rub
- Spending a few extra minutes getting ready in the morning instead of just throwing your hair in a ponytail or putting on a hat
- A swim
- A day trip away from campus
- Intentional, healthy grocery shopping
- A phone call to a friend you've neglected this past month
- Watching the season premier of your favorite TV show
- Not having a night commitment every night of the week
- A bubble bath
- A summer concert, while summer's still here!

Writing a "Hi, I'm still here!" postcard to your brother/ sister/ parent/ spouse/ pet so they don't think you fell off the face of the earth

Do something good for yourself, hard-working one. You certainly deserve it!
